

ALASKA CRUISETOUR

JUNE 10-23, 2019

PRINCESS CRUISES

come back new®

This is a great way to experience Alaska's magnificent interior as well as the spectacular coastline.

MEMORIES IN MOTION will once again be going to Alaska. The trip includes a five-day escorted land tour followed by a seven-day cruise on the beautiful "Royal Princess" and an overnight stay in Vancouver. The land portion of this cruisetour will start in Fairbanks and include a cruise on the Riverboat Discovery Sternwheeler and a tour of Gold Dredge 8. The journey will continue to Denali and include a tour of the national park. Time spent in Alaska would not be complete without seeing Denali National Park, one the greatest wildlife sanctuaries in the world, and Mt. McKinley, the tallest mountain in North America. After time in Denali/McKinley, travel by train to Anchorage. Visit the Alaska Wildlife Conservation Center before boarding the "Royal Princess" to begin a 7-night cruise. Few places are as breathtaking and as fascinating as the ports you will see on this cruise---Hubbard Glacier, Glacier Bay National Park, Skagway, Juneau, Ketchikan, and cruising the Inside Passage!!!! A post-night stay will be at a Vancouver-area hotel before flying home. Why not join us on this trip to Alaska for your dream vacation???
