Our day will begin with a visit to the Armstrong Air and Space Museum. This museum is filled with motion and sound. There are seven interactive exhibits, ten audio/visual elements, and three simulators. Visitors can practice landing the lunar module and space shuttle, or docking the Gemini capsule, as Neil Armstrong did in 1966. Adults will find the simulators just as challenging and entertaining as the kids do. The 56-foot dome in the center of the museum houses the Astro Theater, a unique venue that allows guests to enjoy the night sky or watch the 25-minute documentary about Apollo 11's lunar landing. (There is no additional charge for the simulators or the film.)

After the Museum visit, our day continues at the Moon City Music and Event Center. We will enjoy an OVER THE MOON buffet luncheon followed by a performance by "New Outlook", an award-winning local band.

All Aboard!! We will depart for a guided city tour of the area that Neil Armstrong called home and visit with a gentleman who knew the Armstrong family. Our guide will also speak about the various foods used in the Apollo 11 mission. Everyone will receive a commemorative pin and bookmark. After the tour we will have lemonade and snacks.....moon pies of course.
