"The Best of Vermont, New Hampshire & Maine"

DAY 1... Off we go to the beautiful states of Vermont, New Hampshire and Maine. Sit back and enjoy the scenery as we travel to our enroute hotel in New York State. Take time to meet your fellow travelers and enjoy the beautiful colors of fall. Lunch and dinner is on your own today.

DAY 2... Away we go to Killington, VT. Our lodging for the next two nights is at the North Star Lodge, Killington, VT, nestled in the heart of the Green Mountains and offers some of the most spectacular vistas on the mountain. Dinner is included this evening. B, D

DAY 3... Breakfast at hotel this morning. Depart with local guide and enjoy a day of sightseeing. First stop is the **Calvin Coolidge Birthplace and Homestead**, Plymouth, VT. The village is virtually the same as it was in the early 20th Century. **Woodstock, VT** is considered a quintessential New England town. The town is a beautiful historic area located in Windsor County. You can also visit the Middle Bridge while you are there for a photo stop. It is home of the only National Park in Vermont, great restaurants and fabulous boutiques. After lunch (on own), you will travel off the beaten path to **Sugarbush Farms** a 4 season farm attraction located in Central Vermont. Here you can sample various cheese varieties, Pure Vermont Maple Syrup and Vermont made foods. While at Sugarbush Farms you will visit with real farmers, learn about the process of making Maple Syrup and take in beautiful views. We will then continue to the **Quechee Gorge**, a Legacy of the Ice Age, and often referred to as "Vermont's Little Grand Canyon". The gorge is 165 feet deep and over a mile in length. The gorge is part of the 612 acre Quechee Gorge State Park and is managed for multiple recreational uses by the Vermont Department of Forests Parks and Recreation. You will stop at the visitor's center and be able to take a short walk onto the bridge that spans the gorge. Be sure to bring your camera for a photo opportunity you won't want to miss. What a day! Dinner is included this evening. B, D

DAY 4... Today we will travel with our local guide to the Granite State of New Hampshire. New Hampshire is the third largest New England state. It is 80% forested like Vermont and has 86 peaks exceeding 3,000 feet. Unlike Vermont it has 17 miles of seacoast. Spanning the Ammonoosuc River, the **Bath Covered Bridge** was built in 1833 by the town of Bath. It spans over 390 feet and has a roadbed that is just over 22 feet wide. In 1976, this bridge was added to the National Registrar of Historic Places. The bridge is only open to pedestrian traffic. Located in Grafton County, New Hampshire, **Littleton** is situated on the edge of the White Mountains. This town was featured as one of America's Best Towns in the USA by Outdoors Magazine in 2005. You will have lunch on own in Littleton today. After lunch, be sure to visit **Chutter's General Store**, which boasts the World's Longest Candy Counter, they offer numerous varieties of candy and fresh-made fudge. In the afternoon you will travel to the **Basin** waterfall. The Basin is located within Franconia Notch State Park and is a short walk from the pull off, it is also handicap accessible. This waterfall has a granite pothole 20 feet in diameter that has eroded over thousands of years. It is one of the coolest things to see in New Hampshire. Your final attraction in the mountains today just off Route 112, often referred to as the Kancamagus Highway will be **Loon Mountain Gondola**, where you will ride NH's Longest Scenic Skyride to the 2,733 foot summit of Loon Peak. While at the top you can climb the observation tower for an even better view of the White Mountains or enjoy a beverage and snack at the Summit Café. The ride will be round trip so you will get many photo opportunities to capture the foliage both on the way up and down. Back on board the coach you will leave the mountains and travel to the Lakes Region for a memorable turkey dinner on the **Winnepesaukee Scenic Railroad**. As you travel along Lake Winnepesaukee enjoy a complete roast turkey dinner with all the fixings. You will experience fall foliage and wonderful views from the comfort of the train car while traveling through the front yards of many of the fine resort homes. In close proximity to the Lake Winnepesaukee Scenic Railroad the **Fireside Inn in Gilford, NH** will be your home for the evening. B, D

DAY 5... Today we will depart the Granite State and travel to Maine to meet our local Maine guide in Kennebunk. The tour will conclude in **Dock's Square**, located in downtown Kennebunkport. Enjoy lunch in a café and spend the rest of your time browsing the shops along the waterfront. Travel up the seacoast to Portland, Maine and step aboard the **Lighthouse Lover's Cruise**. This is a 90 minute scenic cruise through the busy Casco Bay and innermost islands. You will see lighthouses, forts, lobster boats, seals and seabirds. Four lighthouses can be seen up close during the cruise including a view of Maine's oldest and most photographed lighthouse, **the Portland Headlight**.
